ascaso

Barista T

A professional espresso machine for commercial spaces that meets the demand for more sustainable, energy-efficient, user-friendly, and durable products.

Where coffee craft meets efficiency and sustainability.

Featuring T technology, it combines thermoblock efficiency with a steam boiler to deliver pure, high-quality coffee in just one minute.

Highlights

THERMOBLOCKS
High-performance insulated professional coffee thermoblocks

PID CONTROL
Thermal stability of ±0,5ºC with PID temperature control and dynamic pre-heating

TOUCH SCREEN
High-definition touch screen for effortless adjustment of machine parameters

DIGITAL CONTROL
Two digital multifunction displays per coffee group

EXTRACTION CONTROLS
Precise volumetric control and programmable preinfusion

PUMP
Rotary pump with adjustable pump pressure

STEAM BOILER
8,5-liter independent insulated stainless-steel steam boiler

HIGH-QUALITY
Stainless steel materials, accessories and components

APP
App control
