Big Dream T

A high-end professional machine that combines timeless vintage design with modern performance.

This is what we consider a specialty dream

A high-end espresso machine built for specialty coffee professionals, combining advanced thermoblock technology, precision, and energy efficiency. Its sleek design enhances any coffee shop, delivering exceptional taste, consistency, and sustainability in every cup.

Highlights

THERMOBLOCKS
High-performance insulated professional coffee thermoblocks

PID CONTROL
Thermal stability of ±0,5ºC with PID temperature control and dynamic pre-heating

TOUCH SCREEN
High-definition touch screen for effortless adjustment of machine parameters

DIGITAL CONTROL
Two digital multifunction displays per coffee group

VOLUMETRIC CONTROL
Precise volumetric control and programmable preinfusion per group

PUMP
Rotary pump with adjustable pump pressure

STEAM BOILER
Independent insulated stainless-steel steam boiler

HIGH-QUALITY
Stainless steel materials, accessories and components
